Vice president – not in attendance

Treasurer – Marla Daniels

Email sent to vimx we need to find out how much revenue we made at Nationals she is waiting for a response. As part of the agreement for the Nationals the track was supposed to be groomed after the Nationals – Marla contacted Dave to find out why it wasn't groomed afterwards. Suggestion to split grooming costs with vimx for this upcoming weekend. Mike Cardinal suggested creating a budget for upcoming expenses but Marla is worried about the bank funds and think we should pay expenses as they come in monthly Nanaimo board to check into what it would cost to build something to house a piece of equipment and also find someone who could donate a piece of equipment that they are not using and will receive a donation in kind. Email sent out July 5, 2011 for groomed and watered practice for this weekend. We need to start organizing for next years Nationals in October 2011

Membership manager - Sarah Stipkula

Members and non members are upset that small track is flattened and that they bought memberships for the small track. Sarah mentioned that Dave VIMX is supposed to sit down with Marla, Sarah and Sam to access the website.

Track Manager – Mike Cardinal

Practice for this weekend dependant on whether we can find equipment

Watering manager – Mike Macdonald

Watering system worked well at the Nationals – Stallybrass was happy with the track.

Secretary – Sam Macdonald

Nationals went very well - Sam will post meeting minutes once we are trained from Dave Barnes
